CREED

"Storytelling is the basis of our pursuit as human beings. We crave experiences that evoke something within us that we want to share with the world. Stitched through design, my legacy as an interior artist is curating a memorable emotional response: a space that not only tells a story, but creates one.

Respect the story & be the makers of livable art. Let's express together"

EXPERIENCE

ASD|SKY, Tampa, FL 2024- Present (#38 ranked international firm)
Senior Designer & Project Manager

Collaborating on large commercial projects with multi-story tenants. Renovating offices to encourage the back to the office movement while fostering a sense of invigoration and renewal. Managing vendors, internal teams, and clients while delivering white glove customer service.

Interiors by Madeline, Steamboat Springs, CO 2023-Present
Procurement Manager (2023-Present)

Contract designer for additional help within a small firm. I space plan, curate FFE selections, and procure FFE. I collaborate on single family residential, kitchen renovations, lower level renovations, whole home renovations, beauty salons, gaming labs, and high end cocktail bars.

Vocon, Cleveland, OH 2016-2024 (#29 ranked international firm)
Project Designer (2016-2020), Project Manager (2020-2024)

Delivered a high level of client presentations that included concept stories, space plans, finish palettes, furniture packages, renderings, and technical drawings. Years of client, architect, and designer interactions have emboldened me with a strong ability to communicate and exceed client needs. Passionate about mentoring younger designers so we can deliver the utmost quality product as a team.

Set Design, Throughout the US, 2013-2023

- Collaborated with the Home Shopping Network (HSN) on a Spring set for a confidential beauty brand.
- Set designer and props master for a feature film sponsored by Comedy Central
- Set designer and props master for multiple Independent Films
- Assistant set designer for The Rachael Ray Show
- Assistant set designer for WKYC Cleveland news station

Pamela Bayer Interiors, Hudson, OH, 2011-2015
Project Designer / Office Services

Integrated closely with business processes such as proposals and billing. Responsibilities included business organization and development, finish palette creation, and FFE procurement.
